Vocational Graded Exams Sign-Up Form

_____ (child's name) would like to be entered for an RAD Vocational Exam. We are aware that a vocational exam is very difficult to pass and the success rate is only about 60%. My child is aware of the technical points she/he needs to develop in order to improve her/his chances of passing. My child is sure she/he will not be SO disappointed with an unsuccessful grade that she/he will quit dance. She/He will take an unsuccessful grade as a learning experience and gain knowledge of her/his dancing weak points and work to fix them for next year.

★ We are aware that the Vocational Exams will be held at D&MDS this year. We understand that DDS has no control over dates, or times. The Exams are held sometime in May or June (estimated to be sometime after May 16). If an examiner cannot come to the studio due to Covid, exams will be filmed.
