The plan is to hold our show outdoors on May 22 and 23 at 4pm.

We would have 2 shows over the course of 1 weekend, one Saturday and 1 Sunday. Dress rehearsals will happen on the morning before the show.

If we cannot have an outdoor show, we will film the show inside studio A, without an audience. A DVD will be given to each dancer.

If we have an outdoor show, we will need lots of help. **Please plan to help in some way if we have an outdoor show with an audience.**

Here are some of the bigger needs:

~Help getting money donations to afford a back drop and bales of wheat. (We ideally need a total of \$8000, but need a minimum of \$3500). This will require asking local businesses to buy a banner that will be displayed at our outdoor show. Smaller donations will have an small mention on 1 collective banner.

~Organizing the business donations banners, having them printed and setting them up at the show.

~Setting up the pop up stage on the evening before or the morning of the show. This is a slow job and requires laying the Marly flooring on top of the stage.

~Advertising! Making a poster for the show that we can hand out. We will also need help hanging posters around town and posting on social media.

~Make a online program using a QR code. Make a banner with the QR code for audience to use.

~Moving costumes and props to the show.

~Setting up and running the front of house. We will not sell tickets, but we would like to collect donations and sell refreshments.
