On the '**Exam Days**', (TBA by the RAD, but we are being told sometime between March 12 and April 5), please arrive at the studio 1 hour before your exam time (Creative Movement, Kindergarten Dance, Pre-Primary and Primary arrive 1/2 hour early). Please be dressed and hair fixed before you get to the studio. This allows the children to run their work once to warm up before going into the exam. The hour before the exam also helps to calm nerves.

Treat the '**Practice Exam**' on Sunday March 4 like the exam; come in proper exam attire (if possible). You need only arrive 15 minutes early on this day.
